### ABOUT US

Hello, we're Johnny and Boggie, the husband-and-wife duo that owns and operate Mr. D's.

We're a local small business, AAPI owned, and proud to support local! Since becoming new parents to twin girls late last year, we want to emphasize helping local, especially with kids and education.

Our coffee shop is the sister store to our donut shop, Mr. D's Donuts, in Shawnee. Our donuts are made fresh everyday (closed Mondays) and sold at the coffee shop, along with other wholesalers. The coffee shop features locally roasted coffee, homemade teas and syrups, and other local items.
